Photo & Video Policy

I. Introduction

Our photographic policy is explained on our booking forms, where you are given the option to opt out of any video recording which may indirectly capture your image or form. You also have the option to opt out of any public distribution of any intentional filming of you during your skydiving experience. i.e. Advertising in print or social media. If you do have a concern, please contact us in the first instance, so that we may have an opportunity to remove any media which may be in the public domain. This is taken seriously, and will be prioritised.

II. Scope

This policy applies to all clients, employees, volunteers, contractors, and partners associated with Skydive Jersey. It encompasses various settings including offices, field operations, in-air footage, events, and online interactions.

III. Possible Video Options

Term	Definition
Video option - Opt in	You have selected the option to have your skydive filmed, and you are happy for us to publish your images for advertising or social media promotion.
Video Option - Opt Out	You have selected the option to have your skydive filmed, and you are NOT happy for us to publish your images for advertising or social media promotion.
Inadvertent capture of photos or video	You did not request the video option and do not consent to us using your images, yet you have appeared on a public media such as Facebook or our website.
No preference about image capture or usage.	You did not request the video option but consent to us using your images, on a public media such as Facebook or our website.

IV. Complaints

Occasionally one or more of the reasons below may occur in error :

- We have made a mistake.
- You have inadvertently appeared on a third parties video.
- You wish to withdraw your consent for us to use your imagery.

Please contact us directly to give us an opportunity to correct any mistakes as soon as possible. We have full and direct control over all of our social media and website publications, and we shall endeavour to correct any errors within 2 hours of notification.

V. Contacting Us
